

International Special Achievement in GIS (SAG) award for NIC MP

International **Special Achievement in GIS (SAG)** award has been formally announced for Geomatics Division NIC M.P. during the 2011 International ESRI UC Conference held in San Diego, USA in the month of July'2011.

**Mr Jack Dangermond President ESRI USA presenting the SAG award to
Shri Vivek Chitale, Technical Director & Head GIS Division NIC MPSC Bhopal**

This is in recognition of the outstanding work carried by NIC M.P. State Centre with Geo-spatial Information System (GIS) Technology. NIC has been selected from more than 1,00,000 (one lakh) organizations in the world. Assessment is made on the contribution made by Geomatics (GIS) Division, NIC M.P. towards the development of state-wide enterprise GIS applications, awards won, paper presented & industry feedback.
