

SKOCH Gold Award to eMARG

eMARG (electronic Maintenance of Rural Roads under PMGSY) developed by NIC Madhya Pradesh State Centre won the prestigious **SKOCH Gold Award** under the category excellence in Governance.

eMARG has been developed for National Rural Infrastructure Development Agency (NRIDA), Ministry of Rural Development, Govt of India for maintenance of rural roads under PMGSY.

eMARG (<https://emarg.gov.in>) is a standardized transparent process oriented end-to-end solution to manage & monitor maintenance of rural roads under Post Construction Defect Liability Period (DLP) of five years and Five years Performance Guarantee for entire country covering 29 states. So far, 1.80 Lakhs km of rural roads covered under DLP and will cater around 6.25 Lakh Km in future. Around 70,000 inspections conducted using mobile app and more than Rs 320 Cr has been disbursed to the contractor bank account. It is fusion of innovative technologies GIS & RS, Cryptography, OSS, ML, 3 M (Mobile, Messaging & Mail). It is hosted on NIC MP cloud. NRIDA, MoRD, SRRDA of states, Contractors, Banks & citizens are major stakeholders.
